- The Veranda*

THE VERANDA MEDICAL GROUP PROVIDES THE FOLLOWING SERVICES:

- ✓ Family Medicine
- ✓ Pediatrics
- ✓ Endocrinology
- ✓ Obstetrics / Gynecology
- ✓ Laboratory Services
- ✓ Imaging Services

(Some services available only at Albany location)

WE WILL WORK TOGETHER WITH YOU TO:

- ✓ Be your healthcare provider and partner.
- ✓ Value and protect the information you share with us.
- ✓ Provide you with evidence-based medical care tailored to meet your specific needs.
- ✓ Help you connect and coordinate with specialists when you need additional care.
- ✓ Keep a comprehensive record of your care including medical history, medications, test results and health care goals.
- ✓ Plan with you how to best care for yourself between visits with us.
- ✓ Be available to speak with you about urgent clinical needs, even after hours.
- ✓ Enable you to request appointments, prescriptions refills, and non-urgent clinical advice online.
- ✓ Request your feedback and continually strive to improve the care we provide to you.
- ✓ Share information about community and educational resources specific to your needs.
- ✓ Connect with hospitals and ERs regarding your admission. Please inform these facilities of your PCP upon admission.
